**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I absolutely support broadband competition. By not allowing a competitive action in the communications functionality , is a death grip on us/consumers.

I live at the fringe of any broadband connection , wherein large companies, such as Century Link , provide absolutely no internet connection through their service lines ... not even dial-up . . My current provider , Gorge Net , is our only real internet connection.

Please hear my support of broadband competition!
